

*The mission of Lemira Elementary School is to motivate, inspire, and educate all students to be college and career ready.*

### School's Vision

We envision:

A school where all parents/caregivers are actively involved in the education of their children

A school where there is a strong connection between school, home, and the community.

A school where all students meet or exceed state standards for mastery in all areas.

A school where all children integrate what they have learned into real-world situations.

A school where the staff is supported and has the resources to do their jobs.

# Lemira Lions Roar

The School Improvement Council at Lemira Elementary School has prepared this Annual report for you and the community. The report includes some activities and accomplishments implemented during the 2021-2022 school year. It is not intended to be a comprehensive report. If you have questions about programs offered at Lemira, contact Mrs. Stephanie Gregg at (803) 775-0658.

## 2021–2022 Goals

1. Build a strong network between the school, community, and family partnerships.
2. Provide a MTSS framework that centers around tiered levels of support to cater to academic, social, and emotional needs of our school community.
3. Foster a systematic academic, culturally responsive, and supportive environment that meets the individualized needs of our school community.
4. Foster a collaborative, productive, and safe school climate that caters to the needs of our school community.
